PROFILE

I am an experienced frontend developer with expertise in HTML, CSS, JavaScript, jQuery, Tailwind CSS, Bootstrap, and Blazor Server, along with a strong background in React.js. My skills include creating responsive, interactive web applications and managing projects effectively. I excel in project planning, teamwork, time management, leadership, and communication. Passionate about driving innovation, I leverage both technical and soft skills to achieve successful project outcomes.

WORK EXPERIENCE

Solochoicez (Pvt) Ltd.
Frontend Developer
2024- PRESENT

- Develop and implement robust frontend development strategies that align with project goals and enhance user experience.
- Lead, mentor, and manage a skilled team of developers, fostering a collaborative and innovative work environment focused on delivering high-quality code.
- Ensure consistency in design and functionality across various web applications and platforms.

Solochoicez (Pvt) Ltd.
Data Entry Operator
2023-2024

- Develop and maintain strong relationships with internal teams and data management vendors to ensure smooth data entry processes and support operational initiatives.
- Monitor and maintain data consistency and accuracy across all databases, records, and documents.
